

2014 2nd Annual Savio Baseball Classic

Coaches,

We are excited about the 2nd Annual Savio Classic and are happy you have decided to participate. This will be a 12 team, 3 game pool tournament. Four teams will advance to a "Final 4 Bracket". We are excited to announce Town & Country Youth Sports Complex as our second site thanks to Hill Country Christian and coach Craycroft. Directions are provided. You are guaranteed 3 games through your Pool assignments. We did our best to arrange the pools based on day and time requests.

Here are the nuts and bolts:

- 1 hour 45 minute time limits on Pool Play or 7 innings/ Final Four 2 hour time limit or 7 innings
- Home Team is second team listed on schedule
- Savio's home dugout is the 3rd Base dugout and at Town & Country home is 1st base dugout
- 12 run rule at 3 innings, 10 runs after 4, 8 runs after 5 innings
- Top 3 teams in each Pool will advance automatically to the finals bracket. 4th team will be the highest seeded second place team in the 3 Pools. That highest 2nd place seed will be based on record first, then run differential, and then if still a tie then we will use least runs allowed. The final tie breaker would be a coin flip.
- If there is a tie for 1st place, head to head will be considered first, then run differential, then runs allowed, and then coin flip.
- If you have games at both sites please travel quickly between games as the fields are only 5 minutes apart, so we can stay on time.
- Games can and will start early if both teams area ready to go.
- Have fun!!
